Chair: Murray Knight		

Welcome & Introduction

The Chair welcomed members to the meeting. With 18 members, including ten directors, in attendance and 43 proxy votes having been received, the meeting was declared quorate. All supporting documents had been emailed to members previously.

Minutes of the 2024 AGM

These were accepted as a true record. The proposer was MK and seconded by LP.

Treasurer's Report & Accountant's Statement

TH asked a question regarding the loss that was recorded for this year compared to the profit for the previous year. VA explained that this was owing to a significant drop in the amount of donations and reduced share income. TH responded that the Trust Board will need to examine ways to reduce the loss for the coming year.

The Treasurer's Report and Accountant's statement were then accepted having been proposed by CC and seconded by JP.

Acceptance of Unaudited Accounts for Period Ending 30th June 2025

The unaudited accounts were accepted; proposed by KH and seconded by DE.

Re-Appointment of Accountants, Horsfield & Smith

Proposed by MK and seconded by LP, Horsfield & Smith were re-appointed as the Trust's Accountants.

Resignation of Board Members

The resignation of four Board Members (G Brigham, C Stansfield, H Holt and J Dowd) during the year had been received and their contributions noted, especially that of George Brigham during his time as Chair of the Trust.

Re-Election of Existing Board Members for 2025/26

Existing Board members BM, MS, KH, SM, SG, IG and RL were all re-elected. DE has declined to stand for re-election owing to personal circumstances. See the Appendix for details of proposers and seconders.

Election of Board Members for 2025/26

The following Board Members (EL, VA, MC and KF) who had been appointed to the Board during 2024/25 were elected for 2025/26. See the Appendix for details of proposers and seconders.

AOB & Questions to the Board

TH asked about the position of BM as interim Chair of the Board. MK responded that the position of Trust Chair would be decided by the Trust Board at its next monthly meeting. No decision could have been made until the result of the re-election of Board members was known.

VA explained that the increases in the amounts for "Income from events" and "Events expenses" were due to the income and expenses of running the coach travel were included under those headings. The Trust was looking to separate coach travel income and expenses from "Events".

CC proposed a vote of thanks for DE in respect of the work he has done while on the Trust Board.

MK gave an update on the "Golden Share". It was still the Ogden's intention to go ahead with the Golden Share, but this was dependent on the rewrite of the Articles of Association.

An update on coach travel, which is run by the Trust with some financial assistance from the Ogden family, was given by MK and EL. It was recognised that the fares charged represented value for money; a view endorsed by IB a regular traveller on the coach. As an example SG reported that the train to Woking was £114 which compares very favourably with the £35 charged for the coach.

MK reported on the charities and other organisations that the Trust will be supporting during the coming year:

Rochdale DS All Stars: this is a local charity for families who have a child/children suffering from Down's Syndrome. The Trust had decided to support this group following a presentation made to the Trust Board. The Board had also decided to support this group for 2026/27. The Trust is looking to support the All Stars through:

- Supporting winter football by funding the rental for the use of the football facilities at Oulder Hill School.
- Providing speech therapy sessions
- Providing respite support for parents/carers
- Tickets for a local Xmas panto
- Visits to the COA for a football match

Rochdale Women's grass roots football

Her Game Too (HGT)

The Trust had paid for several blotters to help remove water from the pitch covers before they are removed.
