July 2026

Dear Rochdale Supporters' Trust Member,

Welcome to a new season back in the EFL and thank you for joining us for the 2026/27 season.

We look forward to an exciting season ahead of us facing the new challenge and opportunity League 2 presents. The team have yet again shown their strength and resilience which is, and remains, a vital part of the heritage of Rochdale Football Club.

As always, the strength within our Club lies with the Rochdale Supporters' Trust, the Club and Fanbase all working together.

We are truly grateful for the unwavering support of our Trust members. With us all working in collaboration, the future looks bright for the club. All funds raised by Rochdale Supporters' Trust are for the benefit of Rochdale Football Club and the local community.

Please accept this letter as confirmation of your 2026/27 membership.

This season we will also be providing a personalised membership card. These can be collected from the Trust Desk. An email will be sent when they are ready to collect. This card can then be presented to 'Friends of the Trust' where you can enjoy a range of benefits. We are currently developing the list, and details will follow soon.

As in previous years you also have full voting rights at our AGM and have a vital say at fans forums and your voice will always be heard if you have any questions.

As a member of the Trust, you are ideally placed to promote membership, so if you are aware of others who are not already members, feel free to shout it far and wide.

Applying for membership could not be easier – either in person at the Trust Desk at home games or simply joining on-line at www.daletrust.co.uk.

Many thanks once more for your continued support.

This letter has been sent on behalf of the Directors of the Supporters Trust by:-
