July 2026

Dear Junior Trust Member,

Welcome to Rochdale Supporters' Trust!

What an amazing season we had, which ended with a fabulous win at Wembley.

As a junior member you are the future and will help the club grow bigger and better.

Our junior members are aged 15 and under and are valued members of our football community.

As a Rochdale Supporters' Trust member, you are in a perfect place to help the fanbase and club grow to where it deserves to be.

A personalised membership card can be collected from the Trust Desk in the Ratcliffe / Dale Bar on match days. An email will be sent when they are ready to collect.

This season we are bringing back the Junior Members Player of the Month, look out for how you can vote.

The award will be presented by one of the Junior members drawn at random who voted for the winning player.

If you know anyone who is not already a member, shout it far and wide! Everyone is welcome.

Applying could not be easier: they can join in person at the Trust Desk at home games or online at daletrust.co.uk.

Many thanks once again for joining as a Junior Member, and we look forward to welcoming you again for many years to come.
