Directors' Report For The Year Ended 30 June 2026

The directors present their report and the financial statements for the year ended 30 June 2026.

Review of the Business

Chair Report:

The Dale Supporters Trust was established in 2004 to strengthen the bond between supporters and the Football Club, providing an opportunity for fundraising for the Club and its fans, while also supporting the wider community where appropriate. It was registered on 29 January 2004 with the Financial Conduct Authority under the Industrial and Provident Societies Act 1965. Its trading name is Rochdale Supporters Club Limited.

The Trust is owned by its membership, each member holding one share for the duration of their membership. Since the purchase of the Club by the Ogden family, the value and size of the Trust's shareholding is considerably smaller than it once was, but the principle is unchanged.
We are run on a day-to-day basis by a voluntary committee, elected at the AGM, but members can be co-opted to the Trust Board if opportunities become available.

Our organisation stands to represent the views of our members. As such, Trust representatives will consistently vote in accordance with the members' wishes. The Trust will continue to uphold the principles of transparency and voting, reflecting the preferences expressed by our members.
Membership for 2025/26 officially closed on 30 June 2026 with 713 members: 286 adults, 227 exiles and 200 juniors.

Of those who joined, 9% were new members rather than returning ones. The gender split was 79% male and 21% female. Eighty-two membership donations raised £680 on top of subscriptions, with a further £108 received by standing order. These, in addition to additional one-off donations received during the year are reflected in the total in the accounts.

Ensuring transparency is a key priority, our website and social media channels continue to inform on issues and initiatives, along with our newsletters.
During the year we continued to host the Fans Forum and the end of year awards. The Focus Groups gave way to the Club Advisory Board, where members and the wider fanbase can put questions through the Trust's representative. This is in addition to the standing ability to raise any issue with the Club through our Trust Director at any time.

We maintained a personal presence via the Trust desk, which operated at every home game during the season. Off the field, the Trust has developed excellent relationships with the senior management team and also the ownership group. Concerns have always been dealt with quickly and solutions found have been mutually beneficial. This is in most part due to the unwavering support of the Ogden family.

What a roller-coaster of a season. One that certainly tested fans' blood pressure and resilience. What a brave fight shown by all the players and staff leading to what can only be described as an epic pinnacle at Wembley. Rochdale AFC back in the EFL, what a result!
After four years, our Trust Board Director Murray Knight stepped down. We thank him for his unwavering dedication to the role. He still remains in his role as Secretary for the Trust. Vince Ashall was voted in as his replacement. We wish him every success in the role. He continues the work started by Murray in promoting the Trust and fans' views to the Club board.

Bob Morrisey stepped down from his role of Chair. A board member for many years, Bob's all-round abilities contributed effectively to the running of the Trust through some very challenging times.

Over the last 12 months we have raised funds for our chosen charity DS Allstars, along with paying half towards their winter training facility alongside the Community Trust. We also paid for blotters for the previous pitch, bought waterproofs for the ladies' team, supported the Development Centre football trip to Belgium, and funded many other items.

Review of the Business - continued

Whilst two of our home games were played 'away' at Accrington while the pitch was being relaid, we provided two 83-seater coaches for the matches in conjunction with the Club so that more fans could still attend. However, of the two games that were scheduled to be played, only one was played, the other being postponed due to weather conditions.

We made a commitment to run coaches to every single away match, giving fans a more reliable service. This was achieved. We sent at least one 53-seater coach, and towards the end of the season two coaches to every match, with the exception of Truro which did not prove financially viable. This consistency will continue into the new season.

The coach service is continuing to grow match by match and a massive thank you to the Ogden family for their contribution to help allow more people to access the service. More amazing friendships are being built between ourselves and the fans, along with our suppliers and opposition grounds. We are looking forward to visiting different grounds around the country next year in League 2.

The Trust welcomed over 30 Exiles to the annual Exiles Day at the Crown Oil Arena, when a 1-0 victory over Boston extended the remarkable unbeaten run of these home fixtures to sixteen matches. The Trust acknowledge and appreciate the support of the Club in making these events happen.
Last, but not least a huge thank you to our Supporters' Trust members for their amazing continued support even through tougher times. This includes our exiles and overseas members who always support us and whose input is highly valued. It makes us feel proud we have representation around the world supporting RAFC.

To all of you we could not survive without you. Thank you for your membership, your overwhelming support not only in person, but with emails, social media, coach travel and supporting our fundraising.
The year ahead

Here's to an amazing new season back in the EFL with a new pitch and a new outlook.

Since the season closed we have launched a new website, and membership is already ahead of where last season finished.

We look forward to raising even more for our chosen charity, DS Allstars, with more amazing shirts still to be auctioned off.

Look out for our new Partners of the Trust scheme, bringing discounts and offers to you as Trust members.

Player of the Month returns, with a member drawn at random from those who ask to present the award.

Watch this space for other new incentives and events coming your way.

And we will continue putting members' questions to the Club through our Trust Director, and working with them as they grow in strength.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
